

Activity Countdown

Start the Sunday before
General Conference!

Print out the word strips.
Cut them apart and
connect them as a paper
chain. Starting the Sunday
before General Conference
take one link off each day.
Do the activity listed on the
paper and think or talk about
the questions. When all the links
in the chain are gone, it's
Conference time!

Visit and bookmark www.walkhispath.org/wp/activity-countdown for links to the videos and activities listed for each day. There are additional activities for each day listed on the website as well!
