

Celebrating Easter with Alma

Alma's great sermon on the Atonement of Jesus Christ is a great chapter to read during this Easter week. Expand your study of Alma 7 (especially verses 11-13) through experiences in the Personal Progress or Duty to God books.

For Personal Progress:

Jesus Christ loves you. He knows you and all of your struggles. You are part of the reason He went through all of the pain of the Atonement.

For Duty to God:

The Savior suffered for your sins so He would know how to help you in your life. Trying to understand and having faith in that part of the Atonement can help you be more attentive and reverent as you take and pass the sacrament.
